

Building successful
futures across the North West

Introduction

- * Established for 14 years
- * Work with individuals and businesses
- * Move clients closer to the job market and find employment
- * Break down barriers and increase confidence for clients
- * Increase job security and achieve promotion

... by up-skilling, supporting and gaining qualifications

The Enterprise Centre, Blackpool

Blackpool

- * Large number of low skilled population
- * People with low qualifications
- * People with significant barriers

- * Large regeneration programmes
- * Massive potential for new businesses

Our Training Centre

- * Mostly deliver on a 1 to 1 basis
- * Some courses delivered to small groups
- * Provide a friendly, caring atmosphere
- * Treat clients with respect
- * Make learning an enjoyable experience
- * Provide excellent advice and guidance

Group Learning

In Blackpool we deliver

- * English and mathematics
- * Information Communication Technology (ICT)
- * Journey2Work
- * Sector Based Courses
- * Job club (every Friday 10am-3pm)

Journey 2 Work

- * 1to1 support, advice and guidance over 12 months
- * Free training with ourselves and partners
- * Supporting employers with new staff
 - * No agency cost
 - * Prepared potential employees who we know
 - * Ability to run specific courses for groups of potential new staff

One to one support

Once Clients are in work

- * Work with employers to support staff
- * Free CPD for staff which include
 - * Flexible Maths and English
 - * In work Business Administration courses
 - * Others available on demand

Referrals

- * Yes... we are always looking for referrals!
- * BUT... we are also looking to refer!

We firmly believe in building relationships with other providers and businesses, so we can support one another – for the benefit of the clients and Blackpool.
